Reuters NEXT is the global forum where CEOs, world leaders, policy makers, and innovators address the critical challenges facing our world and society today.

To build a better world, we must transform the ways in which we understand business, policy, society, and the environment. Thinkers and doers must come together to share ideas, collaborate, and act.

At a time when the truth and new ideas have never been more important, Reuters draws upon its global reach to examine topics from different perspectives, bringing passion, experience, and expertise to find new ways forward.
